Robert Bosch GmbH

18 volt lithium-ion system accessories

18 V/2.0 Ah lithium-ion battery

Top performance that fits all cordless tools in the 18 volt lithium-ion cordless system

Go to product

Key product features

- Powerful lithium-ion battery which can be used in all tools in the Bosch Power4All 18 V lithium-ion cordless system
- No memory effect, no self-discharge: always ready for use thanks to lithium-ion technology
- Particularly long life due to Bosch Electronic Cell Protection (ECP)

Other product advantages

- Power4All is the cordless system with lithium-ion technology for an entire Bosch tool family in the house and garden: battery can be flexibly combined with charger and other tools in the 18 volt cordless family from Bosch

Part number: 1600Z0003U
